

CLASSES ON HOROSCOPE INTERPRETATION

In the spirit of International Astrology Day on March 20th when the Sun enters Aries, NCGR begins an eight-week course on Horoscope Interpretation.

To all those who struggle on putting it all together, this course on Zoom focuses on synthesizing the myriad components of a horoscope into a “reading.”

No math, astronomy or homework is required! Learn techniques and interpretations to sharpen your knowledge and skills.

A combination of Traditional and Modern methods will be utilized for optimum insight, and examples of horoscopes will be used throughout the course for hands-on illustration and interpretation.

Registration is open to NCGR members and non-members.
