

## IS THIS COURSE SUITABLE FOR ME?

**This is a structured course that is suitable for both Beginners and Intermediate, and in some cases, even Advanced.** In a step-by-step program, you will learn about the fundamental building blocks, and how they are put together to become the individual chart.

### FOR REAL BEGINNERS

**This Level-I course is suitable for those who have already been “exposed” to some astrology on the fundamental level.**

**IF you are not sure whether you are ready for this course -**

**Review the questions below, and if your answer is ‘yes’, then go ahead and take this class.**

**IF -**

- You know what an astrology chart looks like
- You know the basic description, and the glyph of the 12 signs of the zodiac
- You are familiar with the concept of the Ascendant-The Rising Sign, and the Midheaven
- You know that the astrological chart is divided into 12 Houses
- You know the names and the glyphs of the planets in the solar system
- You know that the planets are located in various Houses in the chart
- You know that planets in the chart may be connected by Aspects
- You know the names of the basic Aspects

**Then, this class is for you – go ahead and register.**

**IF you are not familiar with the above topics, start by reading essential books.**

**(YouTube is generally not a good source for this material)**

**\*\*The BOOKS listed below are recommended for fundamental basics of astrology.**

### FOR INTERMEDIATE, AND EVEN ADVANCED

**This course will fill the gaps in your knowledge in terms of:**

- Astronomy-for astrologers and how it is represented in the chart
- What makes the chart unique in time and in geographical/cosmic space
- Where all the measurements come from
- How the chart is structured, and how it is calculated.

It also fills the gaps and straighten out inconsistencies in topics related to chart reading, giving the student solid foundations.

**This course is essential if you are planning to take professional certification exams.**
